

Anthony Bechara

24038 62nd way S, Kent, Washington - (206) 379-5729 - Anthonyn.bechara@gmail.com

I started working for the Digital Skills for All and Rectech in Delridge, we focused on web and game design/development. I have learned to work as a team and in solo projects. The games we created made it to Facebook Engineer for the Week Achievement Summit. The event was a hackathon that brought dedicated students from across the country to Facebook headquarters to work with and ask any questions to Facebook's brightest employees!

Employment History:

- Rectech/ DSFA: computer science job training (Jan 2019- Present)
 - Smartsheet: I learned how to communicate with customers and co-workers (1 week job shadow, July 29- August 2)
-

Skills:

- Communication
 - Critical thinking
 - Learning
 - Listening
 - Working with a team
 - Good at problem solving
-

Achievements:

- Received an Honor Roll Certificate from Chief Sealth
- Attended EFTW achievement Summit as a coding finalist

- Certificates of completion for winter/spring/summer quarter digital skills for all tech job training program
